3.7 Parents/carers

Parents/carers are expected to:

- › Make sure their child attends every day on time
- › Call the school to report their child's absence before 9.00am on the day of the absence (we request that this is followed up by a letter/email), and advise when they are expected to return
- › Provide the school with more than 1 emergency contact number for their child
- › Ensure that, where possible, appointments for their child are made outside of the school day

3.8 Pupils

Pupils are expected to:

- › Attend school every day on time

4. Recording attendance

4.1 Attendance register

We will keep an attendance register, and place all pupils onto this register.

We will take our attendance register at the start of the first session of each school day and once during the second session. It will mark whether every pupil is:

- › Present
- › Attending an approved off-site educational activity
- › Absent
- › Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- › The original entry
- › The amended entry
- › The reason for the amendment
- › The date on which the amendment was made
- › The name and position of the person who made the amendment

See appendix 1 for the DfE attendance codes.

We will also record:

- › Whether the absence is authorised or not
- › The nature of the activity if a pupil is attending an approved educational activity
- › The nature of circumstances where a pupil is unable to attend due to exceptional circumstances

We will keep every entry on the attendance register for 3 years after the date on which the entry was made.

Pupils must arrive in school by 9.00am on each school day.

The register for the first session will be taken at 8.50am and will be kept open until 9.00am. The register for the second session will be taken at 1.10pm for EYFS and KS1 and 1.15pm for KS2.

4.2 Unplanned absence

The pupil's parent/carer must notify the school of the reason for the absence on the first day of an unplanned absence by 8.50am or as soon as practically possible by calling the school office staff (see also section 7).

First Day Absence Contact

Parents are expected to notify the school if their child is unable to attend for any unavoidable reason, such as illness etc. If the school does not receive notification, a text/telephone call on the first day of absence will be made by the school to try to ascertain the reason. First day contact will be carried out as early as possible in the school day, in order to notify parents whose children may have set off for school, but not arrived.

Second Day Absence Contact

If the child is still absent on the second day without contact from the family, a telephone call will be made to the home. If no contact is made, a text/ letter will be sent to the home asking the parent to contact school. The family may be asked to come to school for a meeting.

Continuing Absence

In the event of an absence of three or more days without contact from the family, a home visit will be made. Any child who is absent without explanation for 8 consecutive school days (85%), who has a pattern of erratic attendance (85%), or persistent lateness after registers close will be investigated further and parents required to attend a formal review meeting with the Head Teacher. This process may include visit to the home, targets set for improvement, sources of support signposted if needed, and ultimately court action or a Penalty Notice recommended if there is no improvement.

We will mark absence due to physical or mental illness as authorised unless the school has a genuine concern about the authenticity of the illness.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents/carers will be notified of this in advance.

4.3 Planned absence

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent/carer notifies the school in advance of the appointment.

Every half-day absence from school has to be classified by the school as AUTHORISED or UNAUTHORISED. This is why information about the cause of any absence is always required, in writing. Medical evidence may also be required in the form of a copy of a prescription, GP note, etc. Types of absence that are likely to be authorised are illness, medical or dental appointments (which unavoidably fall in school time,) emergencies.

We appreciate parents support in notifying us quickly if their child is going to be absent and the reasons for this.

However, we encourage parents/carers to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

The pupil's parent/carer must also apply for other types of term-time absence as far in advance as possible of the requested absence. Go to section 5 to find out which term-time absences the school can authorise.

4.4 Lateness and punctuality

A pupil who arrives late:

- Before the register has closed will be marked as late, using the appropriate code
- After the register has closed will be marked as absent, using the appropriate code

Attendance is monitored by the attendance officer and is shared with the Head Teacher/Deputy Head Teacher who will make contact with the parent/carers to identify the reason for the persistent lateness and put in place actions.

4.5 Following up unexplained absence

Where any pupil we expect to attend school does not attend, or stops attending, without reason, the school will:

- › Call the pupil's parent/carer on the morning of the first day of unexplained absence to ascertain the reason. If the school cannot reach any of the pupil's emergency contacts, the school may make a visit to the home address
- › Identify whether the absence is approved or not
- › Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session
- › Call the parent/carer on each day that the absence continues without explanation to ensure proper safeguarding action is taken where necessary. If absence continues, the school will consider involving an education welfare officer

4.6 Reporting to parents/carers

The school will regularly inform parents/carers about their child's attendance and absence levels if they fall below 10% or more in a half term or an overall attendance of 90% or less. At the end of each academic they will receive a print out from our attendance register.

5. Authorised and unauthorised absence

5.1 Approval for term-time absence

The headteacher will only grant a leave of absence to a pupil during term time if they consider there to be 'exceptional circumstances'. A leave of absence is granted at the headteacher's discretion, including the length of time the pupil is authorised to be absent for.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant context behind the request.

Any request should be submitted as soon as it is anticipated and, where possible this should be at least 7 days before the absence, and in accordance with any leave of absence request form, accessible via the school office. The headteacher may require evidence to support any request for leave of absence.

Valid reasons for **authorised absence** include:

- › Illness (including mental illness) and medical/dental appointments (see sections 4.2 and 4.3 for more detail)
- › Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parents/carers belong. If necessary, the school will seek advice from the parents'/carers' religious body to confirm whether the day is set apart
- › Traveller pupils travelling for occupational purposes – this covers Roma, English and Welsh gypsies, Irish and Scottish travellers, showmen (fairground people) and circus people, bargees (occupational boat dwellers) and new travellers. Absence may be authorised only when a traveller family is known to be travelling for occupational purposes and has agreed this with the school, but it is not known whether the pupil is attending educational provision

5.2 Legal sanctions

The school or local authority can fine parents/carers for the unauthorised absence of their child from school, where the child is of compulsory school age.

If issued with a fine, or penalty notice, each parent/carers must pay £60 within 21 days or £120 within 28 days. The payment must be made directly to the local authority.

Penalty notices can be issued by a headteacher, local authority officer or the police.

The decision on whether or not to issue a penalty notice may take into account:

- › The number of unauthorised absences occurring within a rolling academic year
- › One-off instances of irregular attendance, such as holidays taken in term time without permission
- › Where an excluded pupil is found in a public place during school hours without a justifiable reason

If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

6. Strategies for promoting attendance

The Governors, Headteacher, Attendance Manager and staff will use all possible opportunities to promote the importance of good attendance and punctuality. These include the home/school agreement, newsletters, rewards and incentives for good or significantly improving attendance, certificates, medals.

7. Attendance monitoring

Regular trawls of the registers will be made to identify pupils with a pattern of absences that may lead to Persistent Absence (PA), that is to say absence of 10% or more in a half term or an overall attendance of 90% or less. The Attendance Manager will be responsible for identification of any emerging concerns, and putting in place actions for each pupil of concern. Initially the school will try to resolve the problem with parents/carers, but if the pattern continues the school will refer to the School Health Adviser if the problem appears to be a medical one. In cases where there appear to be issues requiring outside intervention to support the family and the child, referral's may be made for external agency support. All PA pupils and their parents will be subject to an Action Plan or Parenting Contract. Such a plan or contract may include allocation of additional in-school or external support.

The school will:

- › Monitor attendance and absence data half-termly, termly and yearly across the school and at an individual pupil level
- › Identify whether or not there are particular groups of children whose absences may be a cause for concern

Pupil-level absence data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics. The school will compare attendance data to the national average, and share this with the governing board.

7.2 Analysing attendance

The school will:

- › Analyse attendance and absence data regularly to identify pupils or cohorts that need additional support with their attendance, and use this analysis to provide targeted support to these pupils and their families
- › Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns

7.3 Using data to improve attendance

The school will:

- › Provide regular attendance reports to class teachers and other school leaders, to facilitate discussions with pupils and families
- › Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies

7.4 Reducing persistent and severe absence

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school.

The school will:

- Use attendance data to find patterns and trends of persistent and severe absence
- Hold regular meetings with the parents/carers of pupils who the school (and/or local authority) considers to be vulnerable, or are persistently or severely absent, to discuss attendance and engagement at school
- Provide access to wider support services to remove the barriers to attendance

8. Monitoring arrangements

This policy will be reviewed as guidance from the local authority or DfE is updated, and as a minimum every two years by the Deputy Head Teacher. At every review, the policy will be approved by the full governing board.

9. Links with other policies

This policy links to the following policies:

- Child protection and safeguarding policy
- Behaviour policy
