

# St Michael's

CATHOLIC PRIMARY SCHOOL

4<sup>th</sup> February 2021

Dear Parent/Carer,

Firstly, let me start by taking this opportunity to wish you all a Happy New Year! We pray that this year will bring with it all that is good and blessed.

We want to also thank you for working with the staff to ensure we work together through these uncertain times. Staff are doing their best to support all our children at St. Michael's with remote education during this national lockdown, as a governing body we want to thank our staff for their hard work and to you our parents and carers, thank you for your partnership with the school.

The governors promised that we would keep you updated about developments regarding the leadership of the school. We are writing to let you know what we have decided.

Governors have had long and robust conversations about what is best for the school. We can now confirm to you as staff and parents that we have asked the governors at St. Francis' to extend the agreement for Natasha Scott to continue to serve as Executive Headteacher across St. Michael's and St. Francis schools until 31 August 2022.

We believe the continuation of Mrs. Scott's work at St. Michael's is in the best interest of staff and pupils in the school. I know you will join me, and the governing body in sending our thanks to the governing body and parents of St. Francis' for agreeing to release her to support our school.

This partnership working with our network of faith schools is indicative of our commitment to share practice, skills and expertise to maximise the outcomes for our children as well as ensuring that we continue to be a forward thinking progressive setting.

As always, we are open to listen and take on board any comments and suggestions. Please do not hesitate to make contact with the Headteacher and/or and governors should you have any queries.

We are confident that the school is moving in the right direction. This has only been achieved through the hard work, dedication of staff, and the commitment of you as our parents and community.

As promised, we will continue to write to you and keep you updated on matters various.

Yours Sincerely,

Tony Monelle  
Chair of Governors

Martin Stanley  
Foundation Governor
