

What is Pupil Premium?

Currently schools are provided with additional funding to support the learning and development of certain groups of eligible pupils. This is known as “Pupil Premium” and is allocated to pupils who:

- are currently eligible for Free School Meals (FSM)
- have at any point during the last six years received FSM (known as Ever 6 FSM)
- have been looked after continuously for more than six months
- have been adopted from local authority care under the ‘Adoption Act 2002’.

The funding aims to help schools ‘narrow the gap’ between pupils attainment and so ensure that the progress of eligible children is in line with progress of non-Pupil Premium children. As directed by the Department of Education, schools are free to spend the Pupil Premium funding as they see fit. However, we will be held accountable for how the funding has been used and the impact it has had on eligible pupils. We are required to publish on line information about how we use the funding and its impact. This will ensure that parents and others are made fully aware of the progress and attainment of these pupils and the extra support that they receive.

Number of pupils and pupil premium grant (PPG) received

Total number of pupils on roll (as @ January Census 2021)	222
Total number of pupils eligible for PPG	30
Amount of PPG received per pupil	£1,345
Adoption from care cost per pupil	£2,345
Total number adopted from care	2
EYPP	£167
Total amount of PPG received	£41,005

Attainment at the end of Year 6 2020

	Pupils eligible for PP	Pupils not eligible for PP
% achieving the expected standard in reading, writing and maths	25%	56%
% achieving the expected standard in reading	100%	64%
% achieving the expected standard in writing	75%	56%
% achieving the expected standard in maths	25%	60%

Summary of PPG spending

Objectives in spending PPG:

1. To diminish the difference for our disadvantaged pupils, to ensure that they meet at least age related expectations.
2. To ensure that our FSM pupils have the same opportunities as our non FSM pupils.

3. To ensure our families feel suitably supported and equipped, by the school, so they are then able to focus better on supporting their children's learning.

Summary of spending and actions taken:

- Resources purchased to support teachers and learning in class
- Staff deployed to ensure that pupils are well supported in class
- Initiatives introduced to ensure that PPG pupils make good progress
- Interventions tailored to ensure that pupils receive correct and timely support
- Outside professionals offer valuable advice on next steps for pupils, parents and staff

Outcomes to date:

- Pupil's reading ability has improved and they are now able to decode texts better. Pupils have a much deeper understanding of what they read and are able to discuss their ideas linking back to the text.
- PPG pupils are on track to meet age related expectations
- Interventions are timely and appropriately planned to meet the needs of the pupils

Record of PPG spending by item/project

Item/project	Cost	Objective	Outcome
1. To diminish the difference for our disadvantaged pupils, to ensure that they meet at least age related expectations.			
EYFS resources and initiatives	£606.00	To improve the outcomes for our younger pupils.	All Nursery pupils have Language Bags as well as some of our pupil's with SEND in the EYFS. This enables us to develop pupils speaking and listening skills and in turn support parents to understand the importance of talking to their children.
Continue to fund a Higher Level Teaching Assistant – part cost.	£13,707	To ensure consistency in personnel covering classes so disadvantaged pupils feel safe and secure and able to learn. Raising standards and confidence	The use of a HLTA to provide cover across classes in the afternoons has had a positive impact on pupil's progress. Pupils have felt secure, especially pupil's with SEND and disadvantaged pupil's as there has been consistency covering classes.
2. To ensure that our FSM pupils have the same opportunities as our non FSM pupils.			
The Brilliant Club (The Scholars Programme)	£1,920.00	To encourage our pupils receiving PPG to aspire to attend a Russell Group University.	The pupils taking part in The Brilliant Club are supported by our SENDCO, who works alongside a PhD tutor. Pupils are encouraged to develop independent study skills and have access to 'university style tutorials'. Consequently, the pupils have developed their study/thinking skills and produced some good quality work.
FSM for Residential & Educational Visits		To ensure disadvantaged pupils have full access to residential trips.	Disadvantaged pupils have benefitted from having full access to extra-curricular opportunities and visits that enhance the curriculum

Rising stars Pira and Puma Tests and 'Gaps in learning' resources	£1,500	To support disadvantaged pupils with their learning.	The on line tool have enabled teachers to identify and plan for specific areas in which pupils are experiencing difficulties. The materials also aid pupils to develop revision strategies and help them to consolidate their learning.
Shine on line intervention programme	£864	To support all pupils, including those receiving PPG, in their learning and development in numeracy	This is a targeted on line intervention tool used for reading GPS and maths
Edukey Education Ltd	£978	This is a comprehensive tool used to support the school to track and monitor interventions accessed by a range of pupils including those receiving PPG	This resource is a comprehensive tool used to map and manage provision effectively and efficiently across the school.
GL Education Group	£451	To support all pupils, including those receiving PPG, in their learning and development	This resource provides rigorous and high quality assessments relating to academic ability, language skills, mental health and wellbeing.
Maths Circle Ltd, Maths No problem White Rose Maths & Resources for numeracy for the whole school	£620	To support all pupils, including those receiving PPG, in their learning and development	'Maths Circle Ltd' is an on line tool which provides a carefully sequenced programme of daily 'times tables' practice. 'Maths no problem' is a maths resource used to develop mathematical understanding.
Reading Eggs	£1,510	To support all pupils, including those receiving PPG, to develop their reading skills. To inspire the reader in every student.	This is a literacy programme for years 1-6 which encourages reading to be fun, engaging, and rewarding for all learners. It provides a variety of exciting reading tasks and activities, suitable for all abilities. It enables teachers to track pupil's progress.
Twinkl	£1,138	To assist staff to support, all pupils, including those receiving PPG, in their learning.	This resource provides inspirational lesson plans, schemes of work, interactive activities and resource packs. This will help staff to engage with children throughout the school.
Amazon	£456	To support all pupils, including those receiving PPG, in their learning and improvement. To inspire the reader in every student.	To purchase new reading books for all classes, to encourage and improve reading across the school. Other resources purchased to support learning in all areas in the curriculum

3. To ensure our families feel suitably supported and equipped, by the school, so they are then able to focus better on supporting their children's learning.

BCCS Counsellor	£5,880	To support our disadvantaged pupils by providing access to a Counselling Service.	The BCCS Counsellor has been working with many of our FSM pupils. Good relationships have been developed and the progress of these children, both academically and emotionally, is evident. Feedback from parents whose children have worked with the BCCS Counsellor has been overwhelmingly positive.
Psychology Direct	£2,175	To support our disadvantaged pupils by providing access to an Educational Psychologist.	Psychology Direct provides access to expertise and guidance from qualified Educational Psychologists to ensure we are offering tailored assessment/support to meet the needs of our

Pupil Premium Report St Michael's Catholic Primary School September 2020– July 2021

			disadvantaged pupils. Detailed reports are provided for parents and staff.
Virtual Class Ltd	£1,551	To support our disadvantaged pupils to develop their numeracy skills	Virtual Class Ltd provides access to 1-to-1 intervention maths programme, to help raise the attainment for pupils who need additional support. As a result, pupils feel more confident with the kind of questions they would normally shy away from.
Read Write Inc.	£4,141	To support our disadvantaged children to have the best start in their learning journey in learning to read and write.	Read Write Inc Phonics has transformed the teaching of early reading and writing. Read Write Inc. teaches children to read accurately and fluently with good comprehension. They learn to form each letter, spell correctly, and compose their ideas step-by-step.
Ruth Miskin Literacy Ltd	£3,675	To train staff in the delivery of the RWI phonics programme.	Ruth Miskin training delivered a training package for all our staff to be confident in the delivery of the Read Write Inc. Phonics programme.
