

<p>Personal Social and Emotional Development</p> <ul style="list-style-type: none"> We will continue to learn to control our emotions and talk about our feelings. We will continue to think of others and learn how to help them. We will continue to work on our listening skills especially when an adult is asking us to do something. We will be willing to try new activities 	<p>Communication and Language</p> <ul style="list-style-type: none"> We will learn to ask more questions to develop our understanding We will listen to stories, acting them out and retelling them in our own words. We will use words like 'I think it is...', 'you could ...' and 'it might be...' 	<p>Physical Development</p> <ul style="list-style-type: none"> This term we are going to develop our balancing skills through our gymnastics PE lessons. Please encourage the children to change all by themselves especially with using buttons. They will need to be able to have this skill when they go into year 1. The children will continue to write lower case and Capital letters correctly. 	<p>Literacy</p> <ul style="list-style-type: none"> Our first topic will be fantasy. We will be reading stories about dinosaurs, space, superheroes, pirates and dragons. During the second half term we will be reading stories about minibeasts. We will continue to practice our handwriting We will be continuing our phonics journey. We will read and write simple words and sentences using our sounds. Please read with your child every night, use the reading eggs and oxford owl app. 	
<p>Characteristics of Effective Teaching and Learning</p> <p><u>Playing and exploring</u></p> <ul style="list-style-type: none"> Respond to new experiences that is brought to their attention. <p><u>Active learning</u></p> <ul style="list-style-type: none"> Keep on trying when things are difficult. <p><u>Creating and thinking critically</u></p>	<div style="text-align: center;">  <p>Reception Summer Term</p> </div> <div style="display: flex; justify-content: space-around; align-items: center;">      </div>			<p>Mathematics</p> <ul style="list-style-type: none"> We will compare numbers to 20 We will look at shape patterns. We will learn our number bonds to 10. We will be able to recognise an amount without counting.

- Solve real problems: for example, to share nine strawberries between three friends, they might put one in front of each, then a second, and finally a third. Finally, they might check at the end that everyone has the same number of strawberries

Expressive Arts and Design

- We will learn new hymns and perform them at assembly
- The children will be given the opportunity to explore materials and make their own creations.
- We will use instruments and make music with them.

Understanding the World

- We will learn about space. We will look at the moon and the planets in our solar system.
- We will learn about famous pirates from the past
- We will look at dinosaurs and learn about fossils.
- We will look at the life cycle of insects.
- We will look at maps and different countries around the world.

In RE we will be covering the topics Good News, Friends and Celebrations.
