

Welcome to the St Michael's Messenger

Please enjoy the final BUMPER edition of the St Michael's school messenger. Summer term has been packed full of amazing, enriching and exciting activities, take a look and see if you can spot your self.

The Queen's Jubilee

On 27th May the school celebrated the Queens 70th Platinum Jubilee. All children took part in a parade wearing their own beautifully designed crowns and tiaras.

The pupils sung the anthem beautifully and enjoyed their special History and Art sessions all about the Queen.

The Amazing Bake off finalists!!

Sports Day

St. Michael's celebrated Sports Day on the 22nd June in Flander's Field. The whole school took part and the parents joined too. We received a lot of support from St. Bon's who helped with Sports Day. Along with the great weather, the children had so much fun and they took part in a variety of sports activities such as: Javelin, discus, water race, egg and spoon race, football penalties, hurdles, tug of war and the day ended with each year group taking part in a sprinting race. Overall, it was a great day :)

May Day Procession

On a beautiful sunny afternoon the staff and pupils of St Michael's were led in prayer by Sr Patricia and Sr Immaculata to celebrate the crowning of our Mother Mary. The prayers, hymns and flowers were all very special and marked an important day in our calendar.

Educational visits

This term many classes have gone on some great trips to support and enhance their curriculum. These field trips take a great deal of planning and are often made possible because of the assistance of our wonderful St Michael's parents. We would like to say a great big THANK YOU to each and every parent that has taken their time to support classes on the various trips.

Thank You!

2

Year 6 Leavers

It has been a delight and pleasure to teach you this year. We have enjoyed some laughs, jokes, bad puns and fantastic discussions on current affairs. Who knows, perhaps one day one of you will be Prime Minister. Holding you in my heart. Mrs Corriette

This class was my first class! It has been great to watch you guys progress and grow into students I am proud to say I have worked with. Wish you all the very best for the future, go be great!

Mr B

It's that time of year again when we say goodbye to our Year 6 pupils. It has been wonderful working with you all during your time at St Michael's and I am sure you will all be successful as you continue on your journey. Mrs Cox

Young voices

After a 2 year wait, the choir finally took part in Young Voices at the O2 arena.

They had to learn 10 songs that they performed with 8,000 other children. Choir had an amazing time performing alongside famous musicians/dancers and singers. It was an amazing experience for them all. Well done Choir!

Brilliant club graduation

10 Year 5 and 6 pupils graduated from the Scholars Programme, having undertaken seminars with a university tutor and completing an assignment. All pupils received individual feedback from their assignment and we are proud to say that several of our pupils achieved a first class honors. We know that these children will continue to achieve greatness and be leaders of the future.

CONGRATULATIONS to the brilliant club graduates of 2022!

Holy Communion

Well done to these children for making their Holy communion this year.

In the footsteps of Jesus, we strive to achieve excellence in everything we do

A message from the Head boy & Head girl

Farewell students and staff, it has been a pleasure to work with you throughout the years. Recently, we went to the Brentwood citizenship ceremony. We got a chance to meet new people who had been awarded for their work in the community and schools. It has been a pleasure to be Head Boy and Girl of this school and our advice to you is always to be kind and treat each other as you would want to be treated. Who knows? One day you may be Head Boy and Girl. God bless you.

KS2 showed off their musical talent, performing Piano pieces and famous songs with the Ukulele. It was a wonderful celebration of the children's hard work this term.

Year 4 writing winners

Congratulations to every pupil in Year 4 for beating 10,000 applicants to win the This Is Me poem competition. The competition was organised by Young Writers, a company that encourages children to take an interest in developing their writing acumen.

It was even more good news when the children learnt that their poems are going to be published by the company. Upon hearing the news, in disbelief they held their heads, hugged each other, screamed and, for a moment, could not contain themselves that they were about to represent themselves and their school in print. It was truly a poignant moment for all. While the queen celebrated her Platinum Jubilee, year 4 had its own Jubilee celebration when they received the long awaited news of their literary success.

Well done Year 4.
